01

Document Your Dreams

Write down and share your ideas with others. **Dream BIG** and work with your family, school, and community programs to set goals.

02

Access Resources Online

Learn about local Scholarships, Career preparation programs, attending community college, and more on our **YouTube Channel!**

03

Get Your Basic Needs

Check out our **COVID-19 Resource Guide + FAQ for Students** for local resources such as Food, Health + Well-Being, Housing, Utilities, and more!

04

Explore Careers & Network

With resources like **Roadtrip Nation** and **Gladeo**, you can take career quizzes and browse career videos to learn more about different careers and industries!

05

Make a Plan and Follow It

With **CaliforniaColleges.edu**, middle school, high school, and college students can make college, financial aid, and career plans!

06

Get Your Benefits

90% of families aren't receiving all of the available benefits from the government. Check out **AssistHub** and get a personalized checklist of resources for you and your family!

07

College Fit & Affordability

Use **DecidED** for students to explore colleges based on affordability and fit. *Applying to college this year?* Upload your award letters to get a clear analysis and make a plan!
